

## Call for Presenters

MOMENTA *experience discover grow*, in partnership with Camp Y is facilitating a Leadership Camp for youth aged 14 to 17 years of age from August 15 to 19, 2011 at Camp Y in Woodlands, Manitoba.

The goal for the camp is for 14 to 17 year olds from diverse backgrounds to come together, share experiences and positively recreate and learn with one another. To gain new insight, learn from positive role models, learn new skills, create community, to gain leadership skills, and have fun!

Expectations of youth will be that they take care of each other, practice respectful behaviour, participate and commit to the program, and be safe.

We are looking to professionals in Manitoba to share their expertise with youth of this age group. Leadership can mean many things, for us at MOMENTA it means learning from positive adult role models, gaining new skills and confidence, demonstrating positive social skills, and finding a passion that they can share with others. That said, we would like to provide a variety of learning opportunities for the participants. We ask that interested presenters stay away from traditional camp activities (ie. Climbing, cycling, camp craft), as this will be covered by Camp Y and MOMENTA staff.

Presenters will receive an honourarium of \$100.00 for a two-hour workshop. Supplies for workshops must be provided by the presenter. Presenters can stay at the camp the evening of their workshop, and share in the meals with participants while they are there. Presenters will be responsible for their own transportation to the camp (50 km from Winnipeg on Highway 6).

If you are interested, please submit the following form by March 31, 2011. Successful presenters will be contacted by April 29, 2011.

If you have any questions about this opportunity, please contact Lise Brown (250-8749 or [lise@experiencemomenta.com](mailto:lise@experiencemomenta.com)).
